THE

PIRITUAL MAGAZINE.

IRITUALISM is based on the cardinal fact of spirit communion and influx; it is the to discover all truth relating to man's spiritual nature, capacities, relations, duties, , and destiny; and its application to a regenerate life. It recognises a *continuous* inspiration in man; it aims through a careful reverent study of facts, at a knowledge of s and principles which govern the occult forces of the universe; of the relations of spirit ter, and of man to God and the spiritual world. It is thus catholic and progressive, ; to true religion as at one with the highest philosophy.
